

CURRICULUM VITA

B. Mitchell Peck

Address and Contact Information

B. Mitchell Peck
Department of Sociology
University of Oklahoma
Norman, OK 73019
405.325.1751
bmpeck@ou.edu

Education

Ph.D.	Sociology Texas A&M University, College Station, Texas 2002
M.S.	Sociology Texas A&M University, College Station, Texas 1990
B.A.	Sociology Idaho State University, Pocatello, Idaho 1987

Academic and Professional Employment

2013-present	Associate Professor, Department of Sociology, University of Oklahoma, Norman, Oklahoma
2012-present	Affiliate Faculty, Center for Social Justice, The Women's and Gender Studies' Center, University of Oklahoma, Norman, Oklahoma
2005-present	Adjunct Assistant Professor, Department of Health Administration and Policy, College of Public Health, University of Oklahoma Health Sciences Center, Oklahoma City, Oklahoma
2004-present	Adjunct Assistant Professor, Departments of Health Policy and Management and Epidemiology and Biostatistics, School of Rural Public Health, Texas A&M University System Health Science Center, College Station, Texas
2005-2013	Assistant Professor, Department of Sociology, University of Oklahoma, Norman, Oklahoma
2004-2005	Assistant Professor of Research, Department of Health Administration and Policy, College of Public Health, University of Oklahoma Health Sciences Center, Oklahoma City, Oklahoma

- 2003-2004 Associate Research Scientist, Department of Health Policy and Management, School of Rural Public Health, Texas A&M University System Health Science Center, College Station, Texas
- 2002-2004 Adjunct Assistant Professor, Department of Epidemiology and Biostatistics, School of Rural Public Health, Texas A&M University System Health Science Center, College Station, Texas
- 2001-2004 Research Scientist, Institute for Science, Technology and Public Policy, George Bush School of Government and Public Service, Texas A&M University, College Station, Texas
- 1998-2001 Health Research Scientist, Health Services Research and Development, Duke University and VA Medical Centers, Durham, North Carolina
- 1995-1998 Editorial Assistant, Journal of Armed Forces and Society, Inter-University Seminar on Armed Forces and Society, Texas A&M University, College Station, Texas
- 1989-1995 Research Associate, Laboratory for the Studies of Social Deviance, Texas A&M University, College Station, Texas

Delinquent Schools: School Context and Delinquency (2012)

U.S. Department of Justice, Office of Juvenile Justice and Delinquency Prevention,
Field-Initiated Research and Evaluation (FIRE) Program

Two and a half year study to assess studies of school-based practices, environment,
and achievement related to student victimization and the risk of delinquency.

Co-Principal Investigator

\$200,000

Pending Projects

*Chance-for-Success: Changing Oklahoma's school culture to improve educational
outcomes for youths in urban and rural schools (2016)*

Inasmuch Family Foundation

One year study to assess the social and psychological barriers impeding the
educational success of Oklahoma's at-risk youth.

Co-Principal Investigator

\$42,294

*Improving Urban School Chance for Success: Assessment of Urban School College
Preparation Courses (2016)*

Boeing Foundation

One year study to assess the efficacy of introducing college-preparation courses into
high-risk urban schools.

Co-Principal Investigator

\$69,000

*Improving Urban School Chance for Success: Assessment of Urban School College
Preparation Courses (2016)*

OG&E Foundation

One year study to assess the efficacy of introducing college-preparation courses into
high-risk urban schools.

Co-Principal Investigator

\$10,000

*Disproportionate Minority Contact in the Juvenile Justice System: An Analysis of DMC
Comparing Self-Report Data with Police, Juvenile Court, and School Behavior Data
(2015)*

National Institute for Justice

Two year study to compare self-report data with institutional and organizational data
sources to assess disproportionate minority contact.

Co-Principal Investigator

\$460,546

Assessment of Disproportionate Minority Contact Among Oklahoma Youth (2015)

William T. Grant Foundation

One year study to assess the role of policing in the disproportionate minority contact within the juvenile justice system in Oklahoma.

Co-Principal Investigator

\$25,000

Assessing Latino Contact with the Juvenile Justice System in Oklahoma (2014)

U.S. Department of Justice, Office of Justice Programs, Office of Juvenile Justice and Delinquency Prevention (OJJDP-2014-3941)

One year study to assess the degree of contact Latino youth have with the juvenile justice system.

Co-Principal Investigator

\$50,000

Reducing Disproportionate Minority Contact In the Juvenile Justice System (2014)

National Center for Building Community Trust and Justice: Improving the Justice System by Enhancing Procedural Justice, Reducing Bias, and Supporting Racial Reconciliation (DOJ-2014-3797)

Three year center grant to establish and evaluate strategies to mitigate disproportionate minority contact in the juvenile justice system.

Co-Principal Investigator

\$4,700,000

Causes of Disproportionate Minority Contact In the Juvenile Justice System: An Analysis of DMC Comparing Self-Report Data with Police, Juvenile Court and School Behavior Data (2014)

National Institute of Justice, Research and Evaluation on Justice Systems (NIJ-2014-3748)

Three year study to assess the fundamental influences of disproportionate minority contact in the juvenile justice system.

Co-Principal Investigator

\$460,546

Loveworks: An Evaluation of a Site-Based, Team Mentoring Program for At-Risk Youth (2013)

U.S. Department of Justice, Office of Juvenile Justice and Delinquency Prevention, Mentoring Best Practices Research (OJJDP-2013-3415)

Two and a half year study to assess studies of school-based practices, environment, and achievement related to student victimization and the risk of delinquency.

Assistant Principal Investigator

\$495,000

Understanding the Role of Trust in Health Care to Improve Access and Quality of Health Care for Native American Indians (2009)

National Institutes of Health (COBRE Award)

Five year study to assess the role of trust on important health outcomes for Native Americans.

Principal Investigator

\$844,442

Completed Projects

Assessment Study of Disproportionate Minority Contact with the Oklahoma Juvenile Justice System (2011)

U.S. Department of Justice, Office of Juvenile Justice and Delinquency Prevention

One year study to 1) identify extent of disproportionate minority contact (DMC) with the justice system, and 2) develop strategies for the reduction of DMC that are both feasible and cost effective. Ongoing, January 2011 – August 2012.

Co-Principal Investigator

\$150,000

Political and Racial Attitudes of College Students

College of Arts and Sciences Faculty Enrichment Grant

Study to describe political and racial attitudes of college students and commitment to those attitudes. Completed, March 2006 – August 2010.

Principal Investigator

\$1,200

Fox River Environment and Diet Study (FRIENDS) of Perinatal PCBs and Neuropsychological and Auditory Function

National Institute of Environmental Health Sciences (NIEHS)

Five year prospective study to evaluate maternal consumption of fish high in polychlorinated biphenyls (PCBs) and methyl mercury (MeHg) and the association with cognitive deficits in children. Completed, November 2001 – October 2007.

Research Scientist (PI: Anne Sweeney, PhD, Texas A&M University System)

\$5,568,992

Longitudinal Investigation of Fertility and the Environment (LIFE)

National Institute of Child Health and Human Development

Five year prospective study to evaluate the relationship between paternal and maternal exposures to polychlorinated biphenyls, organochlorine pesticides, and phthalates and indicators of fecundity and fertility. Completed, September 2003 – August 2008.

Research Scientist (PI: Anne Sweeney, PhD, Texas A&M University System)
\$2,107,720

Soliciting Patient Expectations to Enhance Communication and Health (SPEECH)

VA Health Services Research and Development

Four year randomized, controlled trial of patients with diabetes and arthritis to evaluate the acceptability and effectiveness of using interactive voice response (IVR) to elicit patients' generic pre-visit concerns and expectations. Completed, January 2001 – June 2004.

Research Scientist (PI: James A. Tulsky, MD, Duke University Medical Center)
\$707,600

Evaluation of the "Drive Clean Across Texas" (DCAT) Air Quality Improvement Campaign

Texas Commission on Environmental Quality

One year study to assess public attitudes toward air quality issues, perceived risks of air pollution, and acceptance of and willingness to act on proposed policies following a 2-year state-wide campaign to improve air quality. Completed, July 2003 – July 2004.

Co-Investigator (PI: Arnold Vedlitz, PhD, Texas A&M University)
\$84,558

Program Of Resident Education To Promote Awareness And Respect At The End Of Life (PREPARE)

Robert Wood Johnson Foundation

Three year prospective, controlled trial of an educational intervention to improve the care of dying patients; integrated and evaluated a curriculum on palliative care for house staff and faculty into a primary care medicine service. Completed, January 1997 – February 2002.

Research Scientist (PI: James A. Tulsky, MD, Duke University Medical Center)
\$943,180

Understanding Air Quality Issues in Texas: Public Attitudes And Expert Opinion

Texas Natural Resource Conservation Commission

One year study to assess public attitudes toward air quality issues, perceived risks of air pollution, and acceptance of and willingness to act on proposed policies. Completed, November 2000 – October 2001.

Research Scientist (PI: Arnold Vedlitz, PhD, Texas A&M University)
\$73,750

Negotiating Patient Expectations in a Managed Care Environment

VA Health Services Research and Development

Three year prospective cohort study that examined the nature and prevalence of patients' expectations and requests, how providers and patients negotiate these expectations, and the relationship between provider communication, unmet expectations, and patient satisfaction. Completed, April 1998 – March 2001.

Research Scientist (PI: James A. Tulsky, MD, Duke University Medical Center)
\$654,200

Utilization of Science-Based Information on Climate Change in Decision Making and the Public Policy Process

National Oceanic and Atmospheric Administration

Two year study to assess how citizens, decision-makers, policy makers, and climate change scientists utilize science-based information on climate change in their individual and collective decision processes. Completed, September 2003 – August 2005.

Co-Investigator (PI: Arnold Vedlitz, PhD, Texas A&M University)
\$960,000

Use of Science in Gulf of Mexico Decision Making Involving Climate Change

U.S. Environmental Protection Agency

Three year study to assess how various stakeholder groups in the Gulf of Mexico region currently use science information about global climate change. Completed, October 2002 – October 2005.

Research Scientist (PI: Arnold Vedlitz, PhD, Texas A&M University)
\$1,500,000

Teaching Experience

Undergraduate Courses:

Social Stratification, Social Statistics, Principles of Sociology, Methods of Social Research, Industrial Sociology, The Military and Society, Medical Sociology, Advanced Statistics

Graduate Courses:

Advanced Statistics, Social Stratification, Medical Sociology, Managed Health Care, Data Management and Computing, Health Services Research Methods, Program Evaluation, Public Policy and Inequality, Health Policy, Analysis of Political and Administrative Data

Condensed Format and Online Courses:

I have taught online courses (Data Management and Computing, Public Policy and Inequality, Statistics) and condensed/compressed format courses. The condensed format courses range from 7-day courses, 2-week courses, and 4-week courses (Program Evaluation, Public Policy and Inequality, Health Policy, Analysis of Political and Administrative Data).

Student Advising:

Amanda Goodall, 2016 Thesis Committee (Chair)
Johnson Aranda, 2016, Dissertation Committee (Communications)
Jessica Hawkins, 2016, Thesis Committee (Administrative Leadership)
Richard Russell, 2016, Dissertation Committee (Anthropology)
Renee Phillip, 2016, Dissertation Committee
Leslie Miller, 2016, Thesis Committee (Chair)
Spencer Grubbs, 2016, Thesis Committee
Brandon Crawford, 2016, Dissertation Committee
Meaghan Fuhrman, 2016, Thesis Committee
Noel Isom, 2016, Thesis Committee
Melissa Jones, 2016, Dissertation Committee (Co-Chair)
Michael Laythorpe, 2016, Thesis Committee (CLS)
Candace Smith, 2015, Dissertation Committee
Summer Jackson, 2015, Dissertation Committee
Kimberly Murray, 2015, Dissertation Committee
Amanda Warren, 2014 Thesis Committee
Richard Russell, 2015, Advisory Committee (Anthropology)
Jodie Martin, 2013, Dissertation Committee (Educational Psychology)
John Billington, 2013 Advisory Committee
Brandon Crawford, 2013 Advisory Committee
Candace Smith, 2013 Advisory Committee
Travis Hallinsquest, 2013 Thesis Committee (College of Liberal Studies)
Amanda Burnham, 2012 Dissertation Committee
Erin Brickman, 2012 Thesis Committee
Sonya Conner, 2012 Dissertation Committee
Paul Bones, 2012 Advisory Committee
Meredith Denney, 2012 Dissertation Committee
Adrienne Bruene, 2012 Dissertation Committee
Tara K. Hall, 2012 Dissertation Committee
John Williamson, 2012, Thesis Committee
Erin Brickman, 2012 Thesis Committee
Burle Steelman, 2012 Doctoral Advisory Committee
Christian Jaworski, 2011 Thesis Committee
Tara K. Hall, 2011 Doctoral Advisory Committee
Meredith Denney, 2011 Doctoral Advisory Committee
Adrienne Brune, 2011 Doctoral Advisory Committee
Andrew T. Ozga, 2011 Doctoral Advisory Committee (Anthropology)
Tiffany Sanford-Jenson, 2011 Dissertation Committee
Jennifer Hartsfield, 2011 Dissertation Committee
Christian Mackey, 2011 Thesis Committee
Paul Bones, 2011 Thesis Committee
Janna L. Gruber, 2011 Doctoral Advisory Committee (Anthropology)

Julia Dinger, 2010 Doctoral Advisory Committee
Akiko Yoshida, 2010 Dissertation Committee
Steven D. Gomez, 2010 Doctoral Advisory Committee (Anthropology)
Marshal Cheney, 2009 Doctoral Advisory Committee (Public Health)
Meredith Denney, 2009 Thesis Committee
Adrienne Brune, 2009 Thesis Committee
Mary Wiles Brooks, 2009 Thesis Committee (Chair)
Neal McNabb, 2009 Dissertation Committee
Mary Nicole Warehime, 2008 Dissertation Committee
Miyuki Fukushima, 2008, Doctoral Advisory Committee
Mary Katrina Matthews, 2008 Thesis Committee
Robinne Farrell-Zeliznat, 2008 Thesis Committee
Renee Marie Phillip, 2008 Thesis Committee
Amanda K. Priest, 2008 Thesis Committee
Sonia Rosales, 2007 Thesis Committee (Chair)
Julia Dinger, 2007 Thesis Committee
Christene M. Mace, 2007 Thesis Committee
Tara Kay Shaw, 2007 Thesis Committee
John Ben Snyder, 2007 Undergraduate Honors Committee (Chair)
John Ben Snyder, 2007 ASA Honors Program Award Winner (Chair)
Steve Wilkes, 2007 Doctoral Advisory Committee (Public Health)
Jay Gilliam, 2006 Dissertation Committee

Professional Training

Extensive training and experience with statistical packages including *SPSS*, *SAS*, *Stata*, *EQS*, *LISREL*, *LIMDEP*; training and use of PC software such as *Microsoft Word*, *Excel*, *Access*, *dBase*, *Paradox*, as well as computer environments including *DOS*, *Windows*, *VM/CMS*, *Vax*, *Unix*, *MVS*.

Structural Equation Models with EQS: Two-day seminar conducted by Peter Bentler and Kenneth Bollen. Washington, DC, August 1990.

Structural Equations Modeling Using LISREL: Three-day seminar conducted by Karl Joreskog and Dag Sorbom, Alexandria, Virginia, April 1994.

Hierarchical Linear Modeling Using HLM: Three-day seminar conducted by Stephen Raudenbush and Anthony Bryk, Alexandria, Virginia, April 1994.

Professional and Service Activities

2015-2017	Committee A Member, Department of Sociology
2015-2016	Graduate Program Committee Member, Department of Sociology
2014-2015	Undergraduate Program Committee Member, Department of Sociology

2013-present	Referee, <i>Sociological Perspectives</i>
2012-present	Referee, <i>Canadian Journal on Aging</i>
2011-present	Multidisciplinary Studies Faculty Oversight Committee, University of Oklahoma
2011-2012	Pullin and Drake Scholarship Committee Chair, College of Arts and Sciences
2011-2012	Sturgis Scholarship Committee Member, College of Arts and Sciences
2010-present	Referee, <i>Sociology of Health and Illness</i>
2010-2011	David T. Wright Scholarship Committee Chair, Department of Sociology
2010-2011	Pullin and Drake Scholarship Committee Chair, College of Arts and Sciences
2010-2011	Undergraduate Program Committee Member, Department of Sociology
2009-2010	Undergraduate Program Committee Chair, Department of Sociology
2008-present	Faculty Advisor, Students for the Prevention of Drug Abuse Student Organization
2008-2009	Undergraduate Program Committee Chair, Department of Sociology
2007-present	Faculty Advisor, Sooner Anglers Student Organization
2007-2008	Undergraduate Program Committee Member, Department of Sociology
2006-2010	Executive Committee Member, College of Liberal Studies
2006-2009	Pullin and Drake Scholarship Committee Member, College of Arts and Sciences
2006-2007	Graduate Committee Member, Department of Sociology
2006-present	Academic Misconduct Board Member, College of Arts and Sciences
2005-2006	Graduate Committee Member, Department of Sociology
2003-present	Referee, <i>Social Science and Medicine</i> , <i>Journal of General Internal Medicine</i> , <i>Medical Care</i> , <i>Social Science Quarterly</i>

Awards

- | | |
|------|---|
| 2010 | Faculty Enrichment Grant, Office of the Vice President for Research, University of Oklahoma |
| 2009 | Faculty Enrichment Grant, Office of the Vice President for Research, University of Oklahoma |
| 2006 | Junior Faculty Summer Fellowship, Office of the Vice President for Research, University of Oklahoma |
| 2006 | Faculty Enrichment Grant, Office of the Vice President for Research, University of Oklahoma |
| 2003 | Rural Public Health Student Association Outstanding Teacher Nominee, School of Rural Public Health, Texas A&M University System Health Science Center |
| 1990 | Elected to Phi Kappa Phi Honor Society |
| 1990 | Distinguished Thesis Award Nominee, College of Liberal Arts, Texas A&M University |
| 1989 | Thesis Research Grant, College of Liberal Arts, Texas A&M University |
